MHRA visit 2022 at MTW

Back to Basics for the Quality Management System- it's not only UKAS and ISO 15189!

Learning on key areas assessed and quality improvements made following on from the MHRA assessment at Tunbridge Wells, MTW in March 2022.

Presented by Emma Sutton, Quality Manager, MTW

On Wednesday 19th October 1-2pm

Target audience: open to all staff, managers and leads encouraged to attend.

Please note: this session will be recorded.
