

Kent and Medway Pathology Network presents

'The IBMS Registration Portfolio - Simplifying and Streamlining'

'The IBMS recommend that the Registration Portfolio takes no longer than 12 months to complete if the candidate has no prior laboratory experience. How can we streamline our registration training and achieve this?'

Presented by Catherine Lorenzen
On Wednesday 7th April @ 12-1pm

Audience: Trainers, training officers/ managers, trainees
and those interested in completing the Registration
portfolio.
